

HELLO EVERYBODY!

We are all in phase 1 now, that means things are getting better! The last week of May is coming and soon summer will start and we all go to the swimming pool and the beach! Just the final sprint with homework, hardly a month to finish it all!

This week we are going to register on the INTERACTIVE ACTIVITIES of the student's book and practice grammar, vocabulary and dialogues on line. (En el archive adjunto os mando las instrucciones, seguidlas y si tenéis algún problema, os ponéis en contacto conmigo).

I also send you a PICTURE DICTIONARY to revise vocabulary, you must copy it on your notebook and send me pictures of it (in English/Spanish).

KEEP SAFE!
